

Advanced Seminar Series on Microbiology and Immunology

Organelle Network Biology Seminar Series

John H. Brumell, PhD

Senior Scientist, Cell Biology Program, Hospital for Sick Children
Associate Professor, Dept. of Molecular Genetics, Univ. of Toronto

“Interactions of *Salmonella* and *Listeria* with the autophagy system of host cells”

Monday, September 5, 2011, 4:30 – 5:30pm

Taniguchi Memorial Hall
1st Floor, Integrated Life Science Building

主催：大阪大学微生物病研究所/大阪大学 GCOE 「オルガネラネットワーク医学創成プログラム」
Organized by: RIMD, Osaka Univ. / Global COE "Frontier Biomedical Science Underlying Organelle Network Biology"

連絡先：微生物病研究所感染症学免疫学融合プログラム推進室 (Tel: 8364) suishin@biken.osaka-u.ac.jp
Contact: Office of Combined Program on Microbiology and Immunology, RIMD
