

第4回研究所ネットワーク国際シンポジウム/
大阪大学グローバルCOE「オルガネラネットワーク医学創成プログラム」
合同シンポジウム

"The Joint Symposium of the
4th International Symposium of Institutes Network and
Osaka University Global COE (Frontier Biomedical Science
Underlying Organelle Network Biology) "
-Life Science against Intractable Diseases-

DATE: Jan. 31~Feb.1, 2009

PLACE: Hotel Hankyu Expo Park, Osaka, Japan
(<http://www.htl-expopark.jp/en/index.html>)

Free of charge

SYMPOSISTS:

Eicke Latz (University of Massachusetts Medical School)

Marcus Fruttiger (University College London)

Per Westermark (Uppsala University)

Malina Bakowski (The Hospital for Sick Children, Canada)

Keiichi Higuchi (Shinshu University Graduate School of Medicine)

Masatoshi Hagiwara (MRI, Tokyo Medical and Dental University)

Emi Nishimura (CRI, Kanazawa University)

Yasufumi Sato (IDAC, Tohoku University)

Takashi Fujita (IVR, Kyoto University)

Hisashi Arase (RIMD, Osaka University)

Osamu Nureki (IMS, The University of Tokyo)

Yusaku Nakabeppu (MIB, Kyushu University)

Kazuhiro Nagata (IFMS, Kyoto University)

Hiroyuki Arai (IDAC, Tohoku University)

Yuji Goto (IPR, Osaka University)

Takeshi Sato (IPR, Osaka University)

CRI: Cancer Research Institute, Kanazawa Univ.

IDAC: Institute of Development, Aging and Cancer, Tohoku Univ.

IFMS: Institute for Frontier Medical Sciences, Kyoto Univ.

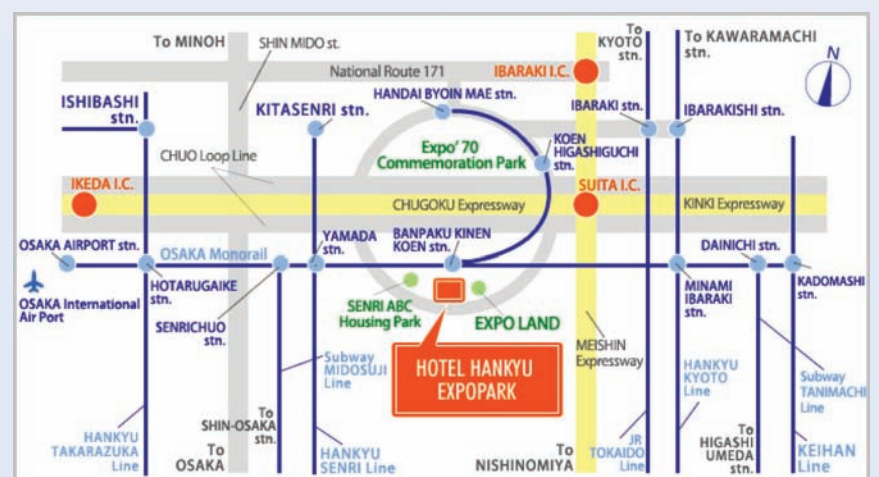

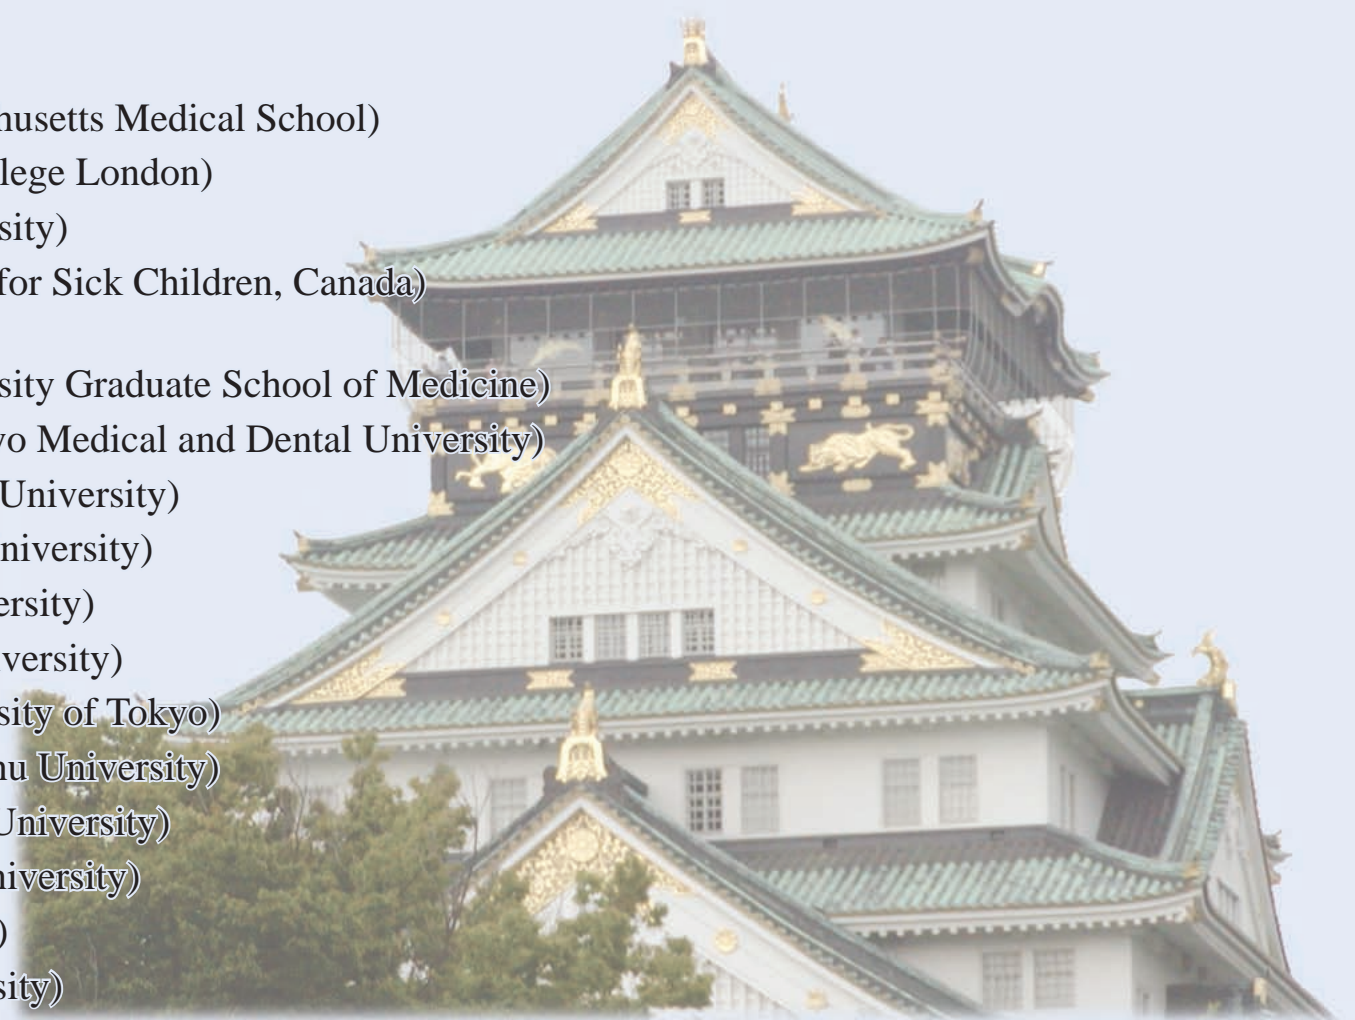

IMSUT: Institute of Medical Science, Univ. of Tokyo

IPR: Institute for Protein Research, Osaka Univ.

IVR: Institute for Virus Research, Kyoto Univ.

MIB: Medical Institute of Bioregulation, Kyushu Univ.

RIMD: Research Institute for Microbial Diseases, Osaka Univ.

ORGANIZING COMMITTEE

Research Institute for Microbial Disease, Osaka University

Institute for Protein Research, Osaka University

Osaka Univ. Global COE Program (Frontier Biomedical Science Underlying Organelle Network Biology)
